

*: As the Council's statutory Monitoring Officer this post holder will report into the Chief Executive; however for day-to-day operations the Chief Operating Officer has line management responsibility for this role – this role therefore sits at tier 3 within the Council's operational structure.

Notes:

- Salaries, *shown in £5k bandings*, represent full time equivalent (FTE) basic salaries only (i.e. excludes market supplements, performance awards, expenses and/or allowances etc.)
- Numbering of posts will link to 2017/18 "Senior Management Role Summaries" document – they are not intended to correlate with 2016/17 Transparency Code declaration information currently available on the Council's website
