<b>Pay Ratios</b>	
Highest : Median of Whole Workforce	1 : 6.8
Highest : Mean of Whole Workforce	1 : 6.0
Highest : Lowest	1 : 10.1

**Notes:**

- The pay multiple figures presented in the Pay Policy Statement may differ from those presented above due to the dates at which each associated data set was produced (*i.e. Pay Policy Statement produced part way through the financial year*)
- Highest paid employee's remuneration (Chief Executive) is based upon payroll information available at time of production (only) and may therefore vary from information included in end of financial year Statement of Accounts
- Salary information represents FTE remuneration/basic salary information where applicable
- Figures exclude school employees, apprentices, PATROL, casuals, vacancies and posts filled by interims (agency workers and consultants) on 31<sup>st</sup> March 2017
