

Prompt Payment Statistics 2015 - 2016

Regulation 113 of the Public Contracts Regulations 2015 requires contracting authorities to publish performance statistic on

- The percentage of invoices paid within 30 days
- The amount of interest paid due to late payment.

Additionally, from the end of March 2017 it will be a requirement to publish the total amount of interest that the authority was liable to pay, i.e. whether or not paid, due to a breach of the Regulations.
